

VIDEO DISCOVERY

SHOULDN'T BE A

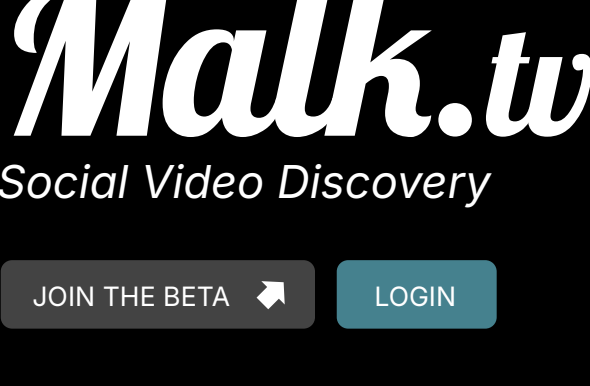

SOLO MISSION

The best **video recommendations** come from real people – not algorithms

Imagine a world where you can discover videos shared by *friends*, *family*, and *passionate video curators* - and not just what's served up by ~ *the algorithm* ~

The future of video isn't more noise.

It's **human**. It's **curated**. It's...

VIDEOS WITHOUT BORDERS

Share From  
Everywhere

Share videos from YouTube, Vimeo, or wherever you find them. No need to pick favorites—Malk plays nice with everyone.

TASTEMAKER'S PARADISE

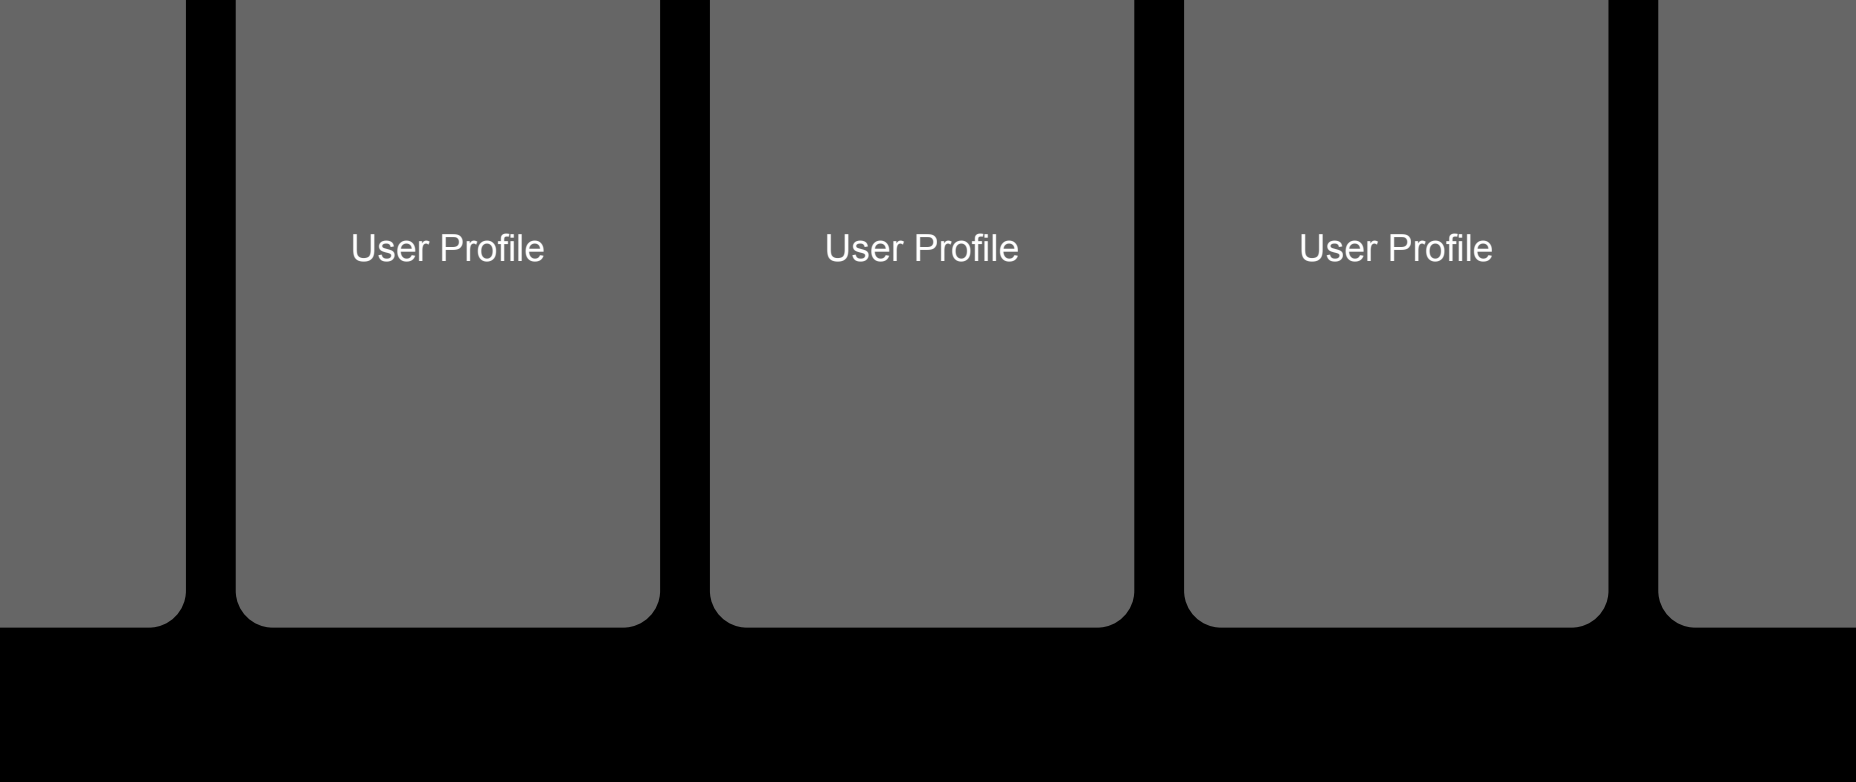

Showcase Your Taste

Show off the videos that you curate on your customizable profile. Display content by category and tag, customize your avatar and banner, and display your liked videos, followers, and badges.

SOCIAL DISCOVERY

Find Curators To Follow

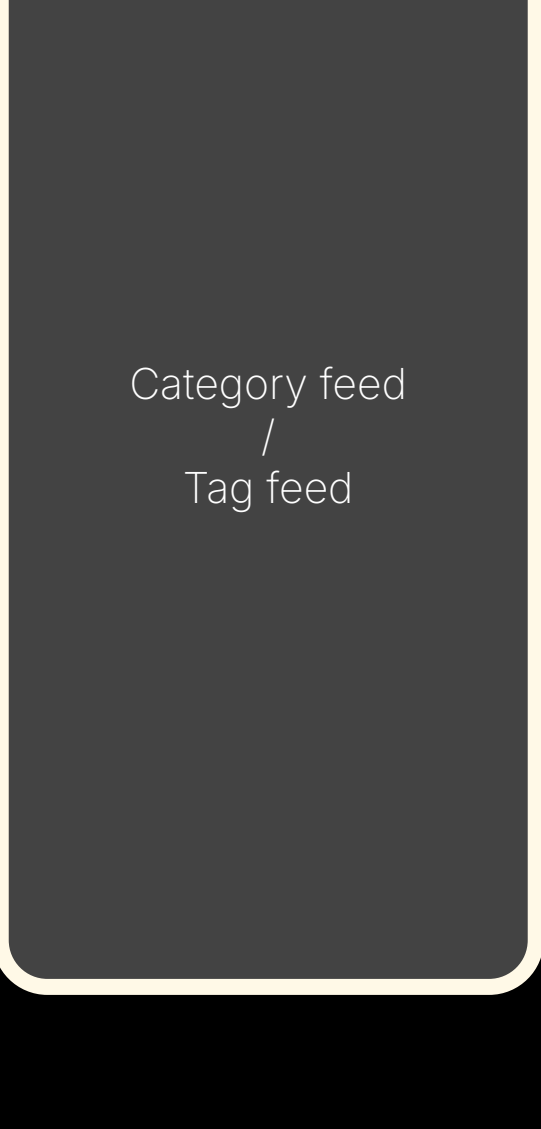

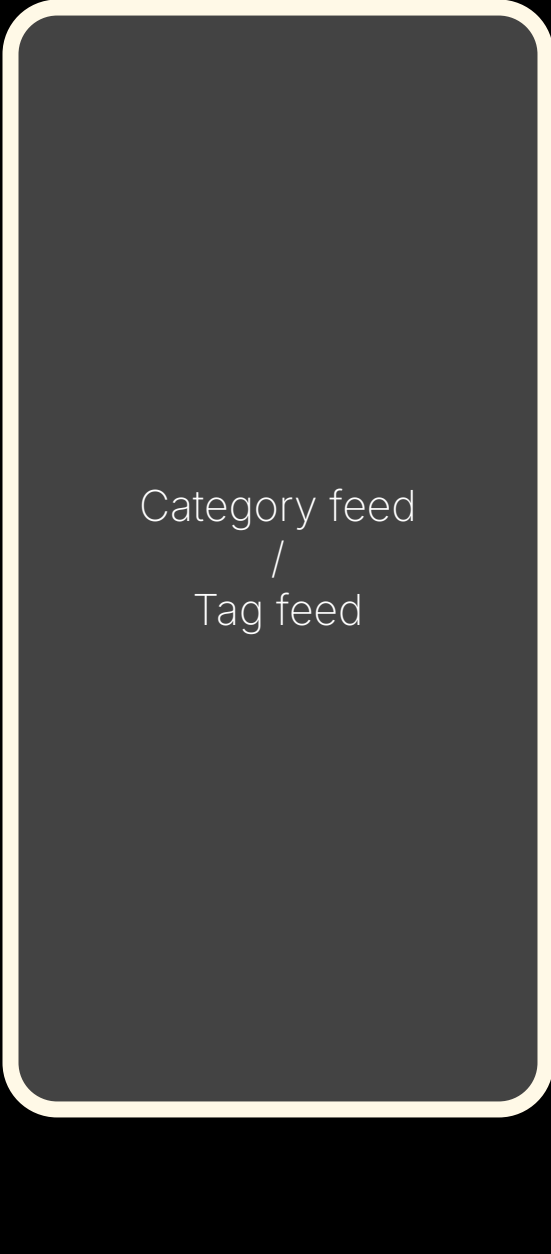

Find friends and family that are already on Malk, and discover tastemakers that share interesting content.

VIDEOS WITHOUT BORDERS

Discover What  
People Are Sharing

Find content that you relate to by exploring categories like Music and Gaming, or user created hashtags like 'remix' or 'music video'.

LIKE, COMMENT, & SHARE

State Your Take

Comment on posts to start a discussion, Like posts to show your appreciation, and share your favorites on other platforms.
